A Dissertation Presented in Partial Fulfillment  
of the Requirements for the Degree  
Doctor of Philosophy

ARIZONA STATE UNIVERSITY  
May 2009

**Summary :** Free mosaic of juxtaposition the narrative strategy of william s burroughs pdf download - in addition to providing a reading strategy through which to engage works written by and influenced by burroughs this associative approach offers a means to reassess works of his literary predecessors and contemporaries that feature similar techniques of dispersal and decentralization ultimately this dissertation s development of an associative in contrast to linear interpretive strategy not only provides an effective means to engage the works of william s burroughs but also represents a valuable critical approach to the interpretation of a number of twentieth-century and contemporary experimental texts
