Summary : Free the new authoritarianism in the middle east and north africa pdf download - stephen j king considers the reasons that international and domestic efforts toward democratization have failed to take hold in the arab world focusing on egypt tunisia syria and algeria he suggests that a complex set of variables characterizes authoritarian rule and helps to explain both its dynamism and its persistence king addresses but moves beyond how religion and the strongly patriarchal culture influence state structure policy configuration ruling coalitions and legitimization and privatization strategies he shows how the transformation of authoritarianism has taken place amid shifting social relations and political institutions and how these changes have affected the lives of millions ultimately king s forward-thinking analysis offers a way to enhance the prospects for democracy in the middle east and north africa

Pusblisher : Indiana University Press on 2009-10-28 / **ISBN** : 9780253004000
